Apologies for Absence: Cllr M Howard, Cllr G Holland & Unitary Councillors

Lucy Hawes is the Community Partnerships Officer for North Northamptonshire Council and is working with a group in Collyweston/ Easton on the Hill/ Duddington who are working with parish councils and communities to deliver a safe green infrastructure link between the 3 villages, with the hope to then connect towards Kings Cliffe.

They are making great progress with local landowners and thought it would be great to share what they are doing with the Parish Council.

The group of volunteers have had favourable reactions from a couple of significant landowners who have agreed to include routes across their land as options in their feasibility study. They were interested in Fineshade and Kings Cliffe in making everyone aware of what they are up to, and for us to discover what plans there may be in Kings Cliffe surrounding areas that they could possibly link in with.

The Parish Council were "in principle" in agreement with backing the idea.
